

Treatment Cost Calculator

Powered by Truven Health Analytics

An easy way to take control of your health care.

Did you know health care prices for the same service can vary significantly within the same market? MVP Health Care® makes it easy for you to compare these costs, navigate health care options, and better manage care—from the convenience of a computer, tablet, or smartphone.

With the Treatment Cost Calculator, you can:

- Access cost estimates for hundreds of medical treatments and services
- Research and plan your health care expenses
- Estimate your out-of-pocket costs
- Compare costs from different providers in your area

Available at mvphealthcare.com
and on the [myMVP mobile app](#).
