Please follow the instructions below to enroll in a mail order program today!

Please note: PBD offers two (2) mail order vendor options - Wegmans or ProAct. Regardless of which option you choose for mail order, please be advised you will need to contact your physician and request a 3-month prescription.

Wegmans Mail Order

Members can enroll through several easy methods:

1.) By Phone

www.pbdrx.com

Members can call Wegmans Member Services to speak with a representative to enroll in mail order. Members should have their ID cards available to do so.

2.) Online at www.wegmans.com/pharmacy

To enroll online, members must have:

- Existing prescriptions at Wegmans retail AND;
- Wegmans Shopper's Club Card

Member can "link" their "retail Rx" to mail order which would re-route their prescriptions to mail order.

3.) Prescribing provider sends a prescription to Wegmans mail order

When members want to start using mail order – they can direct their provider to send the prescription to Wegmans mail order.

- If the member is already enrolled, Wegmans will process the prescription and send out as necessary.
- If the member is NOT enrolled, a service representative from Wegmans will call the member once the prescription is received to get the member's information and enroll the member in mail order.
